Thank you for enquiring about the use of **The Unicorn Club** for your function.

We are pleased to make our special MHSOBA social club available for your function on the proposed date of _____.

For your information I have enclosed below pertinent details that will assist you in planning your function at The Unicorn Club.

After reading this information it would be appreciated if you could forward the **BOOKING FORM** and return, with the nominated deposit, as soon as possible. **The tentative booking will only become a firm booking upon receipt of your deposit (cheque or credit card).**

GST

Please note that all prices quoted (rental, labour and other costs) are **inclusive** of 10% GST.

Situation and Entry

The Unicorn Club is located atop the south pavilion complex adjacent to the Woodfull-Miller Oval at Melbourne High School. Vehicle entry is best off Claremont Street, a one-way street from Toorak Road. The Melways map reference is **2L J3**. There is only a short walk from the trams in Toorak Road and the South Yarra station at the end of Yarra Street.

Parking

Limited parking is available in the school grounds adjacent to The Unicorn Club at the southern end of the oval. There are commercial car parks in Claremont Street (entrance 50 metres from Toorak Road) and at the Como Centre, in Chapel Street near the corner of Toorak Road.

Club Seating and General Function Accommodation

The club can formally seat 96 adults in a number of table configurations. However, when the club is set up for a formal dinner the inside area available for pre-dinner drinks is slightly restricted. The under cover balcony is used frequently in this situation. The ideal number for a formal lunch or dinner is up to 80 people.

The club can cope with up to 150+ people in a non-formal setting.

Table Quality

We can guarantee a quality table layout and table finish. Tablecloths enhance the formality as do table decorations, flowers and candles. All of these items can be provided at minimal charge.

Guests are also able to arrange their own decorations of balloons, streamers, etc providing access to the club is available when this is to be arranged. A ladder is available for use in this regard. There will be a small charge if staff are required to come in to open the facility well before the function booking time.

Liquor Licence

The Unicorn Club is licensed, commencing at 5.00 pm on weekdays and earlier on weekends. The hours of the license are generally through until midnight. License extensions can be arranged if requested and with sufficient notice (at least three weeks). The cost of this extended license is currently **\$30.00** and will be charged to the hirer. An extension is needed for a weekday luncheon.

Liquor **must** be purchased and consumed within The Unicorn Club. It is **not permissible** to bring alcohol in to the club, its vicinity or elsewhere in the school grounds.

Bar and Bar Staff

The club operates a full bar with modern automatic facilities. Keg beer is available.

A detailed listing of the usual drinks available, and their prices, is included with this information. A specific bottled wine list is available as well, although we are able to provide whatever might be your requirements. If you wish to specify particular wines or other drinks then we will quote their service price for you.

Staff are experienced former students of Melbourne High School and will cater to your precise needs. Bar staff are charged to the user at **\$22** per person per hour but provide you with peace of mind, knowing that you can walk away at the conclusion of the function without the need to clean up. You will generally need 2 bar staff for up to 80 people, and 3 for 80+, except where a full meal is provided and 3 staff will be required irrespective of the number of patrons.

Catering

We can provide you with a range of low cost quality catering services for your consideration. We will do all the arranging for you if you just tell us your basic requirements. We can also provide you with a detailed written quote for the function catering.

Alternatively, you are able to deal directly with the caterer we recommend or, if you prefer, you are able to arrange your own catering with a caterer or your choice. In this case the caterer must provide his/her own utensils, platters and the like or there will be a charge of **\$20** if you use ours.

Barbecue

We have a large modern mains gas barbecue on the undercover balcony if you would prefer barbecue catering. There is a fee of **\$20** for the use of the barbecue for function catering.

Smoking Policy

In keeping with current policies and practice the internal areas of The Unicorn Club are **NO SMOKING** areas. If guests must smoke then it would be appreciated if they did so outside.

Club Rental Charges

These are fixed at the following hourly rates, with an additional set up time if special requirements are needed. The charge appropriate to your function is indicated.

- \$25.00 per hour for affiliate clubs and financial members of the MHSOBA Inc.
- \$30.00 per hour for past students of MHS who are not members of the MHSOBA Inc.
- \$35.00 per hour for other users and business houses.

There will be no additional rental charge during set-up time or during clean-up time following the conclusion of the function.

Quotes

You will be surprised by the quality of the facility and the cheapness of your function. Further to completing the response booking form we will provide a detailed quote for your consideration if requested.

Deposits

There will be a charge equivalent to the total hourly rate for the duration of the booking period **payable in advance** to confirm your booking. Prior to the receipt of the deposit the booking will be only "tentative".

If the function is cancelled less than 14 days prior to the booking date then the deposit will be forfeited. Up until then the whole of the booking fee, less a \$40 service charge, will be refundable.

Insurance

The Unicorn Club has full public liability insurance cover. However, it cannot accept responsibility for items of equipment that are brought in to the club for a function by the hirer or his/her agent and left unattended prior to the commencement of the function or following the function prior to collection (e.g. portable disco machines).

Nor will the club be responsible for the security of personal valuables, bags, items of clothing and the like that may be left in the club during or following a function.

Audio-Visual Facilities

The club recently installed a modern audio-visual system including motorized large projection screen, mounted data projector, plasma TV screen, surround sound speakers, lecturn and microphone, wireless microphone, DVD player, multi-stack CD player and tuner. You will need to provide your own laptop if you are using PowerPoint presentations. There is no charge for the use of this equipment but it must be controlled by the appropriate staff member.

There is also a printable electronic whiteboard if required. No charge.

A 35mm slide projector and overhead projector can be made available at the rate of **\$25** per day per item.

Entertainment

The Unicorn Club boasts a parquetry dance floor with modern disco lighting and other special effects. No charge.

Hirers may engage DJs and/or juke boxes, at their expense, providing suitable arrangements are made for the installation and collection of the electronic sound equipment.

Inspection of The Unicorn Club

It is possible to arrange an inspection of the Unicorn Club although you will need to make an appointment as the premises are not open at all times. Please ring the MHSOBA Office on 03 9824 0480 to arrange a time that is mutually convenient.
