

GREEN, MAROON & BLACK PATRONS' CLUB

MELBOURNE HIGH SCHOOL OLD BOYS' ASSOCIATION INC.

Melbourne High School Forrest Hill South Yarra Vic 3141

p. 03 9824 0480 f. 03 9827 0257 e. administrator@mhsoba.asn.au w. www.mhsoba.asn.au

Established in 1994 this group of men have already contributed significantly to the long term vision of Melbourne High School. The group is now 106 in number (as at 1 November 2009) covering leaders from the widest possible variety of professions and businesses. We are still keen for new members.

The 'think tank' concept provides the MHSOB Association and the School with a sound base for professional opinion about aspects affecting their future life, direction and growth.

Our Mission is to contribute to the sustainable development of Melbourne High School so that it becomes and remains nationally and internationally competitive and that it is recognised as such through the excellence and quality of its educational and experiential programs, its facilities and the achievements of its students and their pride in the School.

Meeting in short evening business forums twice a year and at an Annual General Meeting and Dinner in June, the GM&B Patrons are not overly taxed on their valuable time. Small working groups or committees can meet on an infrequent basis as the need arise over certain issues if they wish.

Current committees in 2009-10 are:

- Membership
- Finance
- MHS Foundation
- Heritage
- Mentor Program
- Scholarships
- School Council
- Information Support Systems
- MHSOBA Support

Together with the annually elected positions of Patron-in-Chief, Deputy P-i-C, Secretary and Treasurer, the chairman of each committee comprise the GM&B Executive.

For existing Life Members of the MHSOBA Inc. the Joining Fee is \$300 with a \$260 annual subscription. For non-Life Members the Joining Fee is \$500. The annual dinner and business seminar catering is included in this subscription, together with GM&B tie and a framed limited edition lithograph of the school by noted Old Boy artist Graham McKenzie.

Your contribution in joining this leadership group of Melbourne High School will be most valued and will contribute to the continuance of the School at the forefront of secondary education in Australia. If you are able to join with us please complete the Membership Application Form appended and return it with your cheque as soon as possible. You may care to join by email to above address.

If you would like additional information about the GM&B Patrons' Club, or know of other Old Boys who might like to become involved, please let me know.

Colin Green

Executive Officer
