## The benefits of membership

Many old boys are involved in the various programs supporting current students:

- luncheon seminars
- career nights
- professional career seminars
- mentoring current students
- financial assistance for students in need
- support for students attending national and international youth conferences
- sports team coaches
- work experience providers
- sports days

As soon as you join MHSOBA as a student life member you receive:

- a membership card
- monthly electronic newsletter highlighting all MHSOBA events with special listings of student activities
- advance notice of student luncheon career seminars for all year groups
- invitations to special purpose professional evenings conducted by old boy members.

All students in years 11 and 12 are welcome to attend the mentor program administered by the MHSOBA and the MHSOBA Green, Maroon & Black Patrons' Club

In addition, two students in years 9, 10, 11 and 12 can apply for our young ambassadors program.

Eligible student life members can apply for school activity student support bursaries.

## What benefits do you receive as a tertiary student?

Tertiary student life members receive access to:

- the Beyond School program operating at universities
- undergraduate professional seminars
- undergraduate scholarships up to \$10,000pa
- course and career networking opportunities
- professionals in firms offering work experience, holiday employment and career starts.

## How does it work?

Student life membership costs \$400, with no further payments for life.

Normal annual membership of MHSOBA costs \$33pa for tertiary students and \$55pa for adult members. So student life membership represents a huge saving.

The usual method of payment is either:

- one payment of \$400 or
- 4 payments of \$100pa over a 4-year period.

## Other options include:

If a student leaves MHS before the expiration of 4 years, you have the option of paying the balance of the \$400 student life membership, or opting for a partial student life membership as follows:

- after payment of \$100 - partial student life membership for 5 years
- after payment of \$200 - partial student life membership for 8 years
- after payment of \$300 - partial student life membership for 10 years

Partial student life membership can then be converted to an annual membership on completion of the fixed term. Or membership may not be continued, if you so desire.

Leaving the membership scheme completely entitles you to a refund of fees paid in full for years 9 and 10 or 50pc of payments if in years 11 and 12. In this case no MHSOBA membership benefits will apply.

As a student life member full benefits of MHSOBA membership apply.
