MHSOBA Inc Newsletter

TOU Monthly

1st October 2009

Dear Colin,

Apologies for not forwarding an email newsletter for the past couple of months. With the new building works now completed we have been frantically getting all of our reunions and luncheons back on track. We hope you can all drop in and have a close inspection of our brilliant new facilities which will set up the association for the next 40 years of growth. If we all become involved in some small way as individuals we will all share in this period of growth and excitement. And don't forget the fabulous [Sydney Dinner](#).

Official Opening of the new building

The official opening of the new complex was held on Sunday 2 August. It was pleasing to see so many Old Boys present, including many who have financially supported the construction. Principal Jeremy Ludowyke and GM&B P-i-C John Dodd performed the official duties, together with former MHSOBA President Scott Green. [More details.](#)

Luncheon Program at Unicorn Club

Wednesday 12th August saw the first of the monthly luncheon club meetings return to the Unicorn Club, Excellent catering can now be guaranteed and, with the exception of 2-3 luncheons a year at the Kelvin Club, it is planned to hold all luncheons here in the future. Ease of access and upstairs facilities make this an excellent location. *The luncheon speaker program for 2010 is now finalised.* [More detail.](#)

Lambis Englezos AM at October Luncheon

Lambis Englezos AM, Old Boy and amateur historian, was instrumental in the discovery of at least 162 missing diggers from the frontline of WW1. We are thrilled to have Lambis speak at the October 14th uncheon. It will be a fully illustrated talk. Book early. [More details.](#)

MHS Foundation gets going

The MHS Foundation 'Think Tank' Forum on 10 August 2009 produced outstanding results from the 30 participants who took part from across the school community. [More detail.](#)

Student Life Membership Program

LIFE
MEMBERSHIP
SAVER

The recently introduced SLM program is meeting with great acceptance by current students and their parents. The program offers opportunities for students to become involved with OBA activities. It is hoped parents and students will continue to join and we look forward to the 2010 program. [More detail.](#)
